### Our Support

Home Caring provides clinical support, complex care, personal care and domestic assistance to people with high care needs. Our team of local disability experts and health care professionals are passionate about providing quality support, so you can enjoy quality of life in their own homes.

### The Location

Our SDA Apartments are located in the centre of Liverpool in a leafy neighbourhood. You'll be close to a vibrant town centre, shops, restaurants and cafes, Liverpool Hospital, public transport (both Liverpool Train Station and Liverpool bus stop) and other amenities. As a thriving CBD in Western Sydney, there are plenty of employment and education opportunities nearby.

You'll also be close to plenty of natural recreation areas, such as Pearce Park, Whitlam Leisure Centre, Liverpool Library and Hillier Oval.

### What is High Physical Support?

High Physical Support (HPS) is Specialist Disability Accommodation that offers high levels of physical access. It is for NDIS participants need very high levels of support, such as a ceiling hoist, backup power supply, or home automation and communication technology. Home Caring is proud to offer quality HPS options in thriving communities that enable independence.
